NFT SALE & PARTICIPATION CRITERIA

- A total of 22,222 NFTs will be sold at \$45 per NFT.
- The villa will only be raffled if at least 75% of NFTs are sold by the raffle date.
- If this threshold is not met by the raffle date, the NFTs will remain digital collectibles, and no villa will be awarded.
- The organizers reserve the right to hold the raffle earlier if the 75% threshold is reached ahead of schedule.

WINNER SELECTION DATE & PROCESS

- The winner will be randomly selected on Q4 2025 (exact date TBA), or earlier if the 75% threshold is met beforehand.
- The drawing will be conducted using a transparent blockchain-based mechanism that is publicly verifiable.
- The winner will be announced on X and contacted via their wallet address.

CLAIMING THE PRIZE & OWNERSHIP TRANSFER

- The winner must claim the prize within 30 days after the announcement.
- The winner must provide their full legal name for the property transfer.
- The property ownership will be transferred via a legal notary process.
- If the winner fails to claim the prize or provide the required documents, a new winner will be drawn.

INCREASING YOUR CHANCES

- Each NFT represents one entry in the lottery. The more NFTs you hold, the higher your chances of winning.
- There is no limit to the number of NFTs a single participant can hold.

LIABILITY DISCLAIMER

- NFTs are digital collectibles with no guaranteed financial value.
- The organizer is not responsible for NFT price fluctuations or external market conditions.
- If legal or regulatory issues arise, the organizer reserves the right to modify the prize mechanism.

LEGAL COMPLIANCE & PRIVACY

- Participants must ensure they are legally allowed to join the lottery in their country.
- The lottery follows the laws of Bali and the participant's jurisdiction.
- Personal data collected (such as the winner's legal name) will only be used for the property transfer.

CANCELLATION & REFUND POLICY

- If 75% of NFTs are not sold by the raffle date, the lottery will not take place.
- In such a case, NFTs will remain digital collectibles with no claim to a prize.
- There will be no refunds, but NFT holders may receive other future benefits at the organizer's discretion.
- If the project is canceled due to unforeseen circumstances, alternative solutions for NFT holders may be explored.
